

## 7 FAM 1300 APPENDIX B ENDORSEMENT CODES

*(CT:CON-143; 08-29-2006)*  
*(Office of Origin: CA/OCS/PRI)*

- a. "Endorsement" means an official stamped, typed or written indication of the circumstances under which a passport can be used. Endorsed passports indicate that they are valid only for a specific period of time, or that the bearer has a certain status. The endorsement code must be noted in the appropriate space on the passport application. See 7 FAM 1340 Examination and Adjudication of a Passport Application.
- b. Supervisory Consular Officers abroad and Regional Directors of Domestic Passport Agencies and Centers must ensure that endorsements are processed correctly. You **must** use the standard wording given for each endorsement. **Do not** modify the endorsement text unless specifically authorized by the Department (CA/PPT for domestic passport agencies and centers and CA/OCS/ACS for posts abroad.) You must use the specific endorsement which is prescribed for the situation at hand, and avoid the indiscriminate use of general endorsements such as Code 46. The use of a non-standard endorsement or incorrect use of a standard endorsement may cause confusion or inappropriate action in subsequent adjudication. Uniform use of endorsements will avoid such confusion, and minimize the need to retrieve and review previous passport files.
- c. Specific guidance about the use of these endorsements is provided in the corresponding subject instructions in 7 FAM 1300.
